

## **Wanted Eight Bridge Players, (Four Bridge Partnerships).**

( Posted 08/20/2009)

Have fun by playing in a bridge marathon in support of the Brewster Ladies Library.

We presently have four partnerships and need another four. If you do not have a partnership, we will match you with another single.

We plan to play once every month from October to May; with each partnership playing against one of the other seven partnerships; morning, afternoon or evening, at a time agreeable to the opponents, at the home of the designated host.

We use rubber bridge scoring. Cumulated scores determine the season winners.

Each partnership contributes \$40.00 in support of the library.

We all meet in the library in June for social wind-up. Winners are announced and book prizes are awarded.

If you are interested in joining our group, please call Margaret or Bruce Blance at 508-896-3255.
